

**EASTERN UPPER PENINSULA
BUSINESS SERVICES CONSORTIUM (EUPBSC)
PARTICIPATION RESOLUTION**

DeTour Arts & Technology **School District**

June 20, 2011

The DeTour Arts & Technology Academy school district hereby agrees to participate as a member party in the EUP Business Services Consortium (EUPBSC) and to abide by the conditions and parameters outlined in the EUPBSC Agreement.

As a member district in the EUPBSC, our district understands that receiving business services and providing business services are options that our district may participate in and that in order to do so, the parameters contained in the EUPBSC Agreement will be followed.

Given that collaborations and consolidations of services are important and often necessary in order for schools to be fiscally effective, and that the EUPBSC's intent is to foster and improve the capacities of our schools through the parameters of the EUPBSC Agreement, the Board of Education of DeTour Arts & Technology Academy School District has resolved to join the EUPBSC.

Further let it be resolved this 20 day of June, 2011 that DeTour Arts & Technology Academy School District authorizes its Superintendent to act on behalf of our district to execute EUPBSC membership documents on behalf of our district.

For the DeTour Arts & Technology Academy Schools Board of Education:

President:

Samuel M. Dudek

Secretary:

Oliver L. Starnes
